Self Only

\$37.51 Monthly

Self Plus One

\$75.03 Monthly

Self and Family

\$112.54 Monthly

FEP Blue Dental:

***These plans are out of network for us and therefore they will not reimburse claims to us. They only reimburse directly to the patient. This means that you would have to pay for your treatment in full at time of service, then wait for insurance to reimburse you. Most patients do not like this arrangement, so we would recommend you choose a different plan.*
